

Enactus SFU 2017-2018

Banner Bags – Graphic Designer

Position Overview:

As the **Graphic Designer**, you will have the opportunity to create and design digital media materials for the project. You will be responsible for capturing all of Banner Bags' events through photography and videography. In this role, you will be working closely with the Project Manager to create an interactive online platform for our Distance Education portion of the project. Through working on various tasks, you will be able to add to your design portfolio, and showcase your work to Banner Bags' audience. This position will enable you to utilize creativity in producing design materials, all while working in an engaging team environment.

Your term will run from **June 2017 to May 2018**.

Responsibilities:

- Design Banner Bags' website
- Create an engaging video for online presentations
- Conceptualize and design new graphic materials
- Work in conjunction with Enactus SFU's VP Design and VP of Marketing to ensure that designs satisfy the Enactus Canada branding guidelines

Qualifications:

- Proficient in using Photoshop and Adobe Premier Pro and/or other video editing softwares
- Strong knowledge of videography and photography
- Experience with InDesign and other Adobe software is an asset
- SIAT minor, major, or joint major is an asset
- Detail-oriented and open to constructive feedback
- Ability to fulfill reasonable but relatively short deadlines
- Effective communication skills
