

CONSULTANT 2017 – 2018

Position Overview:

As a Consultant for Axis Consulting, you will have the opportunity to work in a team of four, led by a Team Lead, to formulate a business solution and create recommendations to solve our clients' problems.

Your term will run from September 2017 to June 2018.

Responsibilities:

- Directly interact with clients via in-person meetings, phone and email
- Research and formulate questions to better identify and understand clients' business problems
- Analyze potential issues and create innovative business solutions
- Work alongside and collaborate with team members to ensure solutions address all issues identified
- Prepare detailed business proposals and reports
- Present recommendations to the client via in-person meeting

Qualifications:

- Ability to collaborate with team members
- Strong prioritization and time management skills with the ability to multitask
- Strong problem-solving and analytical skills
- Creative mindset
- Goal oriented, results driven, and passionate about learning
- Advanced presentation, professional communication and client interaction skills
- Exceptional written and verbal communication
- Completion of BUS 360W is an asset
- Case competition experience is an asset

Commitment:

- Commitment is very important; Consultants should be ready to commit 10-hours per week.

Application Material Required:

- Application form and Resume

Please contact the Program Manager, Stefanie Huffman at axis@enactussfu.com with any questions.
